Selection to the 2021 Training Industry Top 20™ Training Outsourcing Companies List was based on the following criteria:
- Capability of delivering multiple types of training services.
- Industry visibility, innovation and impact.
- Strength of clients and geographic reach.
- Company size and growth potential.

"This year's Top 20 Training Outsourcing Companies met the challenges businesses faced during the pandemic and created exceptional learning solutions to continue training initiatives during uncertain times," said Ken Taylor, president of Training Industry, Inc. "Through best-in-class integrated solutions, these companies created engaging learning experiences for clients around the globe."

"The companies on this year's Training Outsourcing Watch List have demonstrated innovative capabilities through various services, including training administration, content development, training delivery and learning technology management," said Danielle Draewell, market research analyst at Training Industry, Inc. "With these services, they create comprehensive solutions that drive business outcomes."
